GASKCADD® SOFTWARE \$2700

Includes **GASKCADD®** software, user's manual, and 30 days telephone support and a single user license for **General CADD Pro Version 8** design/drafting software and required security device (parallel port or USB).

ONE DAY INSTALLATION / TRAINING OPTION

We offer on-site installation and training (8 hours) with purchase of full **GASKCADD®** software package. Cost: \$250 + round trip coach air fare + \$150 per diem.

SITE / CORPORATE LICENSING OPTION \$1000 per seat

Additional **GASKCADD®** software licenses are available for \$1000 per seat, either at the same location or at additional locations. Each license includes a license for **General CADD Pro Version 8** design/drafting software and required security device (parallel port or USB).

SUPPORT PLUS OPTION \$300 per seat at time of software purchase

This option provides our customers an opportunity to pre-purchase the next full release of **General CADD Pro (Version 9)** software in advance, at a much reduced price. Also included in this recommended option are:

- All maintenance releases of **General CADD Pro Version 8**
- Unlimited telephone / internet support for **GASKCADD®** for twelve months (versus 30 days without **SUPPORT PLUS**)
- Updated versions of **GASKCADD®**, as they become available (at least one upgrade guaranteed)

NOTE: This option is only available with a new (or upgrade from DOS version) **GASKCADD®** purchase.
